- At Ladybrand take the **R26** direction Clocolan and Ficksburg
- At Ficksburg continue on the R26 direction Fouriesburg
- About 10k or so after Ficksburg heading to Fouriesburg on the R26 you will see a sign for the **S384**. Turn left off the R26 onto this gravel road S384
- After about 10 kilometres on the gravel road you will drive up a fairly steep hill. On the right hand side at the top of the hill you will see a row of pine trees
- At these pine trees turn right onto this farm track. Ignore the first farmhouse. Go along, you will go through a red metal gate. You are now on the farm. Go until you cannot go any further
